

Preface

This information has been assembled to support the 1991 Department of Defense recommendations for base closures and realignments inside the United States.

The Secretary of Defense transmitted his recommended closures and realignments to the Defense Base Closure and Realignment Commission and to the Congress in April, 1991. The recommendations were also published in the Federal Register.

Chapter Four of this report contains the statutory recommendations, justifications and process summaries the Secretary of Defense transmitted to the Commission and the Congress pursuant to Public Law 101-510.
