The Base Closure Executive Group (BCEG) was chartered by the Secretary of the Air Force (SECAF) to advise and assist her in selecting bases to be recommended for closure or realignment under the Defense Base Closure and Realignment Act of 1990. The BCEG oversaw the process of collecting, verifying, and analyzing data for use by SECAF. In doing so, it ensured that the Air Force Internal Control Plan was adhered to at all levels, and that SECAF's guidance was properly carried out.

Accordingly, each of the undersigned members certifies that all information contained in the Air Force Detailed Analysis and all supporting data submitted herewith is accurate and complete to the best of his knowledge and belief:
